**Read this first**

This section only applies to system builders. In order for your customers to be properly licensed, you must adhere to the Certificate of Authenticity (COA) labels to your customers' PCs and distribute the media with your customers' PCs.

**Tools and Support Available at OEM Partner Center**  
[www.microsoft.com/oem](http://www.microsoft.com/oem)

**Express Deployment Tool**  
Free Download for quicker and easier preinstall of Microsoft Software on PCs and Servers.

**Subscribe to "Reseller System Builder News"**  
Receive important alerts about Microsoft OEM Preinstallation Kits, products, training, webcasts, and marketing tools. Available in 15 languages.

**OEM Reseller Support Program**  
Free, unlimited text-based support covering pre-sales help, technical questions, and licensing.

**Microsoft Partner Network (MPN)**  
Register and become a Member of MPN to qualify for internal-use software, technical support, technical training and marketing resources.

**3 steps for compliance**

**1 Look**  
Make sure the COA label is on the back of the enclosed DVD sleeve.

**2 Peel**  
Carefully peel off/remove the COA label from the back of the DVD sleeve.

**3 Stick**  
Please affix the COA label on the front, top, side or back of the customer's device prior to delivery.
